Certification Of: Set of no. 8 (eight) Diaphragm Valves DN40 Quantity: One(1)
Manufacturer: VALVEIT S.R.L.

Survey Location: Casalecchio di Reno (BO), Italy

Equipment Data

Model Number 987.40.12.52.1.0.S

Purchaser Name **CONFIDENTIAL**

Additional Data

ABS Stamping ✱ BO3377636

Valve Size 40

Design Pressure 16 bar

This is to Certify that the undersigned surveyor(s) to this Bureau did, at the request of the customer, carry out the following survey and report as follows:

Traceability of materials used on this project has been verified.

The principal data has been verified in accordance with the applicable Rules/specifications and applicable approved plans, and confirmed to be within acceptable tolerances.

All testing (pressure/load/operational/etc.) has been carried out as applicable and verified in accordance with the applicable Rules/specifications.

Testing machines are maintained in a satisfactory condition and records of their recheck or calibration dates confirmed.

Asbestos-free declaration verified and supporting documentation reviewed.

No.8 (eight) Valves DN40 have been tested with satisfactory results as following :

- Body Hydrostatic Pressure Test at 24 bar;
- Seat Hydrostatic Pressure Test at 11 bar;
- Review of Material Certificates type 3.1;
- Visual examination.

Body Material : GGG 40.3.

Maximum working pressure : 10 bar

Enclosed manufacturer test report no. 2017446/2017 dated 28 Aug 2017.

NOTE: This report evidences that the survey reported herein was carried out in compliance with one or more of the Rules, guides, standards or other criteria of the American Bureau of Shipping and is issued solely for the use of the Bureau, its committees, its clients or other authorized entities. This Report is a representation only that the vessel, structure, item or material equipment, machinery or any other item covered by this Report has been examined for compliance with, or has met one or more of the Rules, guides, standards or other criteria of American Bureau of Shipping. The validity, applicability and interpretation of this report is governed by the Rules and standards of American Bureau of Shipping who shall remain the sole judge thereof. Nothing contained in this Report or in any notation made in the contemplation of this Report shall be deemed to relieve any designer, builder, owner, manufacturer, seller, supplier, repairer, operator or other entity of any warranty express or implied.
